

Composer, double bassist, author, visual artist

Valentina Ciardelli

Considering the contours of growth in Ciardelli's remarkable range of talents, I think that her early immersion in Zappa's music enabled her to thrive on all it has to offer.

Dan Ursini - Escape to life

Ciardelli is budding virtuoso, with captivating stage presence and also as an excellent composer.

Leon Bosch - conductor and double bassist

**Apple Music classical contemporary
playlists artist 2021**

**BBC Music Magazine Rising Star
July 2020**

Synthete composers and performer she fell in love with the base at the age of 20 and now she explores the worldwide music scene establishing a new musical virtuosity on double bass.
